WORK EXPERIENCE

GLOBAL HORIZON

JAN 2025 - PRESENT

PROJECT MANAGER / GRAPHIC DESIGNER

Graphic Designer delivering end-to-end visual solutions, from interpreting client briefs and developing concepts to producing print-ready artwork. Specialise in wall prints and custom graphics, adapting designs for large-scale formats and real-world environments. Responsible for preparing technically accurate files for production, ensuring colour accuracy, correct specifications, and high print quality. Balance creative problem-solving with practical constraints while handling multiple projects and tight deadlines.

STAAL

SEP 2023 - JAN 2025

ADMIN / HEAD OF OFFICE

Office Administrator managing documentation, file organisation, and client communication, developing strong organisational, communication, and deadline-management skills.

PM&A

OCT 2021 - SEP 2023

CAD DRAFTER / PHOTO SIMS

CAD Drafter creating AutoCAD technical drawings and permit documentation for telecommunications projects, alongside client-facing photo simulations to visualise proposed tower designs.

EDUCATION

UNIVERSITY FOR THE CREATIVE ARTS, UK

GRADUATED 2021

BA (HONS) ILLUSTRATION & ANIMATION - UPPER SECOND CLASS

Bachelor's degree focused on visual communication, concept development, and visual problem-solving, with experience translating ideas into clear, engaging static and animated visuals.
